Conditions are as follows:
- For crew park, production is to keep 20' clearance from the transmission towers, and no aerial or boom equipment is permitted at the location.
- Nothing longer than 50 feet nor taller than 13 feet is permitted at the location.
- If down-guys are present, production must mark each one (e.g. cone off, rope, etc) so that no harm may come to them.
- Production is to leave the property in a condition that is the same or better than when they arrived.
- Production should curtail noise levels, if possible, with consideration for neighboring residents, especially during 3am - 7am and 8pm to 10pm
- Production should park closer to the southern end of the property, so as not to upset the residential neighbor on the north-end of the property. (you are encouraged to make notification to neighbors as soon as possible, as the location's use often receives neighborhood complaints).
